Sally Frost: frosts@ukzn.ac.za / 073 160 1409

Note on the Centenary of Engineering Education in KwaZulu-Natal:

In 1925, three students graduated in Engineering from the Natal University College. 100 years later, the University of KwaZulu-Natal proudly confers undergraduate and postgraduate degrees in Engineering on some 300 graduates per annum. UKZN's School of Engineering invites its engineering alumni to celebrate this remarkable milestone in engineering education with us.

INSPIRING GREATNESS
